### Royal Grand Chapter June Workshop

The June OES workshop has been acknowledged as one of the most informative, inspirational, and executed one. It was an interactive session where every member had an opportunity to participate and learn from each other. All the workshop presenters are commended for their presentations and efforts put forth to make the topics rewarding for the membership. Deputy Grand Matron Brenda Barnes, and Grand Associate Matron Linda C. Hunter with the assistance of Grand Conductress Nancy Sowers were excellent facilitators. I appreciate how enthusiastically each member participated to be an active involved participant. They put a touch of glory in my life.
