Greetings,

As we prepare for the incoming of another Memorial Day, we would like to take this opportunity to remember all who have gone but left a remarkable mark on our lives. If it were not for the impact of their service and ultimate sacrifice, we would probably not be enjoying the freedom that we now enjoy so we especially want to remember and honor the men and women of the Armed Forces who have let their mark of courage, honor, and sacrifice on our freedom. We want to thank them all who have paid with their blood and their life for our nation and the world.

With that in mind, Memorial Day may take on different meanings, to some it may be a painful memory of loved ones who have gone on and for others, it may be the reminiscing of joyful memories of the past. Whichever you may find yourself, we the members and friends of the Most Worshipful Prince Hall Lodge would like to extend to you the warmest and most prosperous blessings for this Memorial Day.

The Most Worshipful Prince Hall Grand Lodge and the Royal Grand Chapter are committed to never forgetting the lives of those who have answered the ultimate call of sacrifice in the defense of this great nation and our interests worldwide.

In Loving Memory of Sacrifice,

Cleveland K. Wilson, *MW Grand Master*

Flora J. Simon, *Grand Worthy Matron*
